INDICTMENTS MUST STAND.

Officials Charged Under Interstate Commerce Law Will Be Tried.

Kansas City, April 20.—Judge Smith McPherson in the United States district court yesterday, overruled the motions to quash the indictments returned last December against George H. Cross, by, traffic manager of the Chicago, Burlington & Quincy railway, and against L. B. Taggart and George L. Thomas, freight brokers, charged with conspiracy to violate the interstate commerce laws in the soliciting and giving of rebates on packing house and other products.

The judge holds that the conspiracy statutes apply to all offenders against the federal government.

Williams Gives Notice on Statehood.

Washington, D. C., April 20.—Mr. Williams served notice on the House yesterday that no legislation would be permitted to be considered unless under the rules of the House or a special rule, until the conference on the statehood bill had made a report.

GUARANTEED BY RED CROSS PHARMACY.

Simple Way to Cure Catarrh by Hyomei Without Stomach Dosing.

It is the height of folly to dose the stomach with internal medicines to cure nasal catarrh. It cannot be cured except the catarrhal germs that are present in the nose, throat and lungs have first been killed.

Direct local treatment by inhaling Hyomei through the pocket inhaler that comes with every outfit, is absolutely necessary to kill the catarrhal germs and prevent their growth and formation. The soothing air of Hyomei has the smothering and raw membrane of the air passages in the nose, throat and lungs, kills off the catarrhal germs and rids the system of the last traces of catarrh.

The complete Hyomei outfit consists of a hard rubber inhaler which can be carried in the purse, or vest-pocket, a medicine dropper, and a bottle of Hyomei, and costs only one dollar, while extra bottles can be obtained for 50 cents, thus making it the most economical treatment for the cure of catarrh, as well as the most reliable.

The Red Cross Pharmacy positively guarantees a cure when Hyomei is used in accordance with the simple directions on the package, or they will refund the money. This certainly shows their faith and belief in the virtues of Hyomei.

CLASH IN THE SENATE

Tillman and Hopkins in War of Words

ON THE RACE ISSUE

Started on the Walsh Bank—Came Near Being a Personal Fight—La Follette on the Rate Bill.

Washington, D. C., April 20.—A sensational clash between Senators Tillman and Hopkins occurred in the Senate yesterday afternoon, which wrought up the occupants of the crowded galleries to a high pitch of excitement and created much interest and amusement on the floor. It all came up over a colloquy between the two senators regarding the failure of the so-called Walsh bank in Chicago.

Senator Tillman has called the attention of the Senate recently to the action of the national banks of Chicago in coming to the assistance of Banker Walsh and has denounced the latter in bitter terms. Senator Hopkins yesterday, in denying certain statements of Mr. Tillman relating to the latter's declaration that he had grown tired of hearing the South Carolina senator get up in the Senate every morning and denounce somebody for breaking the law, when the senator himself came from a state where the laws of the land were constantly violated.

He charged Mr. Tillman with having secured his seat in the Senate by the suppression of the negro vote in his state, where lynchings and burnings at the stake of colored men was a common practice. He denounced Tillman as a sensationalist, who sought the applause of the galleries and was eager to pose as a reformer before the country.

"It is about time this man was shown up," said Mr. Hopkins—and he then proceeded to "show him up" by quoting from some of Tillman's speeches in the Senate and elsewhere, in which the South Carolinian boldly defended the suppression of the negro vote and glorified the outrages on colored people in the South.

Mr. Hopkins bitterly attacked Tillman for what he termed his barbarism. Mr. Tillman replied to Mr. Hopkins hotly, and charged him with bringing into the discussion of the Chicago bank affair an issue that had no relation whatever to it. He declared that he would discuss the race question anywhere with Mr. Hopkins and there was a great deal of hypocrisy among Republicans on that subject.

There were many sharp passages between the senators, but the row soon subsided and the Senate went on with its regular session.

CALLS BILL WEAK.

La Follette Says Rate Measure Won't Solve Problems.

Washington, D. C., April 20.—Senator La Follette of Wisconsin addressed the Senate yesterday on the railroad rate bill. He announced his conclusion that the authority of government to control transportation, both as to the character of the service and the rate of the service, is inherent as a right of sovereignty and that the obligation rests on the government to exercise this power. He contended that the power of Congress to fix rates extends to all interstate commerce.

Announcing his conviction that such legislation would be sustained, Mr. La Follette declared that "corporate interests have little reason to expect aid and comfort from the Supreme court. The great interests have not hesitated to attempt legislation and propose its attorneys for judicial appointments," said he, "but its taint has never reached the Supreme court of the United States."

He argued against what has come to be designated as a broad court, saying that the railroad should be satisfied to have their constitutional rights preserved, and adding:

"The commission and the courts should be a complement of each other. The commission is the tribunal of the facts; the courts of the law."

He also announced his intention to support Mr. Bailey's amendment.

NEWSPAPER EDITOR MADE HELPLESS

RAIC-O CURED HIM.
Rheumatism Tortured and Crippled Mr. Theo. D. Hadley of Kennett Square, Pa.

Dear Friend: You will remember of my writing you some time ago regarding Raic-O for rheumatism. I took your advice and purchased three bottles from my local druggist and began its use at once. Favorable effects were experienced and day by day I improved. I have used the three bottles and can truthfully state that I am a well man.

Raic-O has cured me as I had a case of rheumatism as ever existed. My suffering for months was intense, some nights not able to get one moment's sleep, could not raise my right hand to my head and do all with my left. I could not even dress myself for over three months. My trouble being inflammatory rheumatism, had settled in my right arm and shoulder, crippling, as I thought, permanently. This is the third letter I have written, a thing I hardly expected to be able to do again, as I did not think I could possibly recover from the terrible effects of the disease, as you know I am just the first score year of the way to the "New Jerusalem." I am happy to state that after suffering so long with the most painful forms of rheumatism, that Raic-O has cured me and nearly normal conditions exist. My former strength is improving, and yet for all I am 52 years old, sleep well again, eat well, and as hale and hearty as a man at the age of fifty. I thank you again most heartily for recommending Raic-O to me. I can now recommend it to my friends.

Mr. H. Hadley, Kennett Square, Pa. This marvelous specific is sold at 75 cents a bottle, two weeks' treatment, a blood cure for all forms of rheumatism, including those of the blood, muscles and kidneys. Raic-O is a liquid taken in spoonful doses three times daily and must be used for six weeks only. Ask your druggist for samples and circulars explaining the treatment. The Red Cross Pharmacy is the Raic-O store in Barre.

Captured Two Games From New York

FIRST WAS A SHUTOUT

And the Second Came Near Being the Same—Boston Nationals Lose Again to the Philadelphians.

Boston, April 20.—The Boston Americans succeeded in taking both games of the double-header with the New York Highlanders yesterday afternoon, the first game being a shutout, 2 to 0, and the second almost a shutout, the score being 3 to 1. It being a holiday large crowds saw both contests.

In the first game Tammill was entirely too much for the visitors in the first game, allowing but six hits, of which Williams and McGuire got four. The home team got after Chesbro in the first inning and won the game then and there, but after the first Chesbro kept the hits scattered. Four of the eight hits off him came in the first. Selbach started off with a single in right field. Collins sent him along with a sacrifice and Moriarty dropped Stahl's little fly, Selbach going to third. Parent dropped a little safe one into short right and Selbach scored.

On Freeman's line single into right, Stahl tried to score, but was caught at the plate by Keeler's wing. Grimshaw then smacked out a single over second and Parent scored the second and final run of the game. Freeman was then on third and Grimshaw went down to second. During this operation, Freeman tried to cross the plate, but died by Williams' quick work.

Second Game.

The second game was won in a similar way by the home team, all its runs being made in the first two innings, and enough so that New York could not beat the lead. Young held the visitors safe during the most of the game, although bunting a hit gave them their only run in the fourth. Newton started the game for the Highlanders and LeRoy finished it.

Boston scored in the first inning on Stahl's three-bagger and an error by Williams on Parent's easy grounder. Two more were gathered in the second, Grimshaw one to center. Dougherty got Graham's long fly and then Young beat out a slow roller along the third base line. With the bases full, Selbach hit a terrific grounder along the third base line, sending in two runners. Collins fled out, but Stahl walked, filling the bases again. Parent forced Stahl, ending the inning.

New York scored its only run in the fourth on Keeler's single.

THE FATE OF MRS. COOPER

Will Be Put In Hands Of Jury Tomorrow

ARGUMENTS BEING MADE

"Send Her Home to Her Children Purged of Murder," Pleads Her Counsel —The Argument of the Prosecution.

Augusta, Me., April 20. Tomorrow morning Alice Cooper's fate will be in the hands of the jury. Yesterday the last bit of evidence produced by the government and the defense as to the manner in which Charles D. Northey, Jr., met his death was presented.

It was 4 o'clock yesterday afternoon before Mr. Heath, Mrs. Cooper's senior counsel, began his address to the jury. He eloquently pleaded with the jury to send Mrs. Cooper to her husband and her children purged of the murder charge.

For the State Attorney-General Hamlin urged that Mrs. Cooper be declared guilty of murder.

Tomorrow morning the charge of Justice Peabody will be delivered to the jury. Followed by the appealing eyes of the woman, who for weeks has undergone a tremendous strain, they will leave the court room to deliberate.

At 11:40 yesterday the defense closed its case with the testimony of Professor Ora W. Knight who told of experiments that had been made by firing bullets at wet leather. Court adjourned when the defense was in, to meet at 4 o'clock.

Since March 8th this remarkable trial has been in progress. The jury was impaneled on that date and visited the scene of the tragedy. Through the sudden illness of one of the jurors the body was discharged and a new panel ordered. On March 15 the second jury was secured.

They visited the scene of the tragedy the following day. The State opened its case March 17, when County Attorney Leigh called the first witness.

On April 9 the prosecution ended and the defense commenced its case.
